

# Ohio Scholastic Soccer Coaches Association

Dear High School Soccer Coach:

Enclosed is a general dues registration form, which can be used for any district. The OSSCA with the help of the OHSAA is mailing out this general registration form in hopes of reaching all high school coaches with dues information.

The dues chart contains all local dues information for all districts. It includes the deadline for when dues need to be received and whom you are to mail your dues to. Each district has a different deadline, which they need to follow by their constitution. The dues registration also has information for the state and national dues. In order to join your local you association you will also need to join the state and national association, which is required by the OSSCA. There are many benefits to joining the OSSCA and the National Soccer Coaches Association of America (NSCAA). The NSCAA dues are **\$55.00** for this year.

The OSSCA polled its membership several years ago through the local district president's about unification with the NSCAA. The vote was in favor for unification. This means that in order to be a member a coach must join their local, the state, and national coaches association. By joining the local association, players will have chances to earn All-District honors, seniors can play in senior All-Star Games, seniors can earn Academic honors, and coaches are eligible for various coaching awards. Joining the OSSCA allows top rated players to be named All-Ohio. The OSSCA honors the top 54 players per division, players that are rated as the top players per district can possibly earn All-Ohio honors. Coaches are eligible for state honors. Seniors can earn state academic honors as well as teams can earn team academic honors. The OSSCA also conducts the state top ten polls; to be rated in the poll a school must join the association. The NSCAA offers to its members; All-American honors, Academic All-American honors, Team Academic honors, national coaching honors, and top teams can be regionally or nationally ranked. By joining the NSCAA each coach also has one million dollars in liability coverage.

The OSSCA has decided to allow all assistant coaches to join the OSSCA for **FREE**. Assistant coaches will need to join their local and it is optional if they want to join the NSCAA.

If you have any questions regarding your dues contact your local treasurer. If they are not able to answer your questions, please feel free to contact our Executive Director Brian Stevens at (330) 264-3443 or call me at (330) 334-5023. Good luck this season and enjoy your summer.

Yours in Soccer,

John Johnson  
OSSCA, President

# OSSCA Dues Chart 2011
